

**Welcome to my city---**

**Taipei**

Taipei is a small city , but there are mountains and rivers , and it is beautiful. You can go shopping in shopping malls and department stores , there are many things you can buy.

If you want to play sports , you can go to a sport center , if you want to watch movies , you can go to a movie theater.

There are lots of night market in Taipei , you can buy foods and drinks in night markets. They are delicious , you also can play games in night markets.

Taipei 101 is a good place to visit , it is a very high building , you can see night view from the top of it. It is very beautiful. Taipei is a fun and good place to visit.
